PARO

Dasho/Sir/Madam,

The Royal Securities Exchange of Bhutan (RSEBL) is in the process of updating shareholder's information in the Depository Database to facilitate the services to the shareholders for timely payment of dividends and corporate announcements. We have observed that increasingly all listed companies are now utilizing banking channels for dividend payments, which is much faster and efficient. To support such initiative, it is important that the shareholder list is updated at the earliest. In this regard, RSEBL is requesting all the shareholders who have not updated their information to furnish the information as mentioned below:-

1. Name of Shareholder
2. Citizenship Identity Card No.
3. Present Address
4. Tax Payer No. (TPN)
5. Saving Bank Account No.
6. Contact No.

In the interest of the investors and for efficient delivery of service by RSEBL, we would be grateful if your organization could kindly share this information with your employees to ensure the receipt of timely dividend payments in their respective saving bank accounts.

The information may be forwarded through email at [lhendupn@rsebl.org.bt](mailto:lhendupn@rsebl.org.bt).

Thanking you for your kind cooperation.

Yours faithfully,

My Phn 1500
