

Parking Fee Charges at Paro International Airport

The Department of Air Transport under Ministry of Information & Communications would like to inform the general public that for convenience and safety of passengers and to decongest at the car park at the [Paro International Airport](#), a new taxi counter will be in operation at the arrival terminal and parking fee for collection collection will start from 1st March,2017 onwards.

There are four parking zones available for which the following fees will be charged:

Light Vehicle

Zone 1: Nu.100 for thirty minutes or less, thereafter Nu.100 for every thirty minutes.

Zone 2: Nu.50 for thirty minutes or less, thereafter Nu.50 for every thirty minutes.

Zone 3: Nu.20 for thirty minutes or less, thereafter Nu.20 for every thirty minutes.

Zone 3: Free for crew at the crew parking.

Zone 4: Staff and free parking, however no overnight parking permitted in Zone 4.

Heavy Vehicle

Zone 1: Nu.150 for thirty minutes or less, thereafter Nu.150 for every thirty minutes.

Zone 2: Nu.100 for thirty minutes or less, thereafter Nu.100 for every thirty minutes.

Zone 3: Nu.20 for thirty minutes or less, thereafter Nu.20

for every thirty minutes.

Overnight parking at Zone 3 for all types of vehicles -Nu.200 per night.

USD Enterprise who has been selected through open tender will be operating and managing the taxi counter and the automatic parking fee collection services which will be established as per the International Airport Standards within May 2017.

All taxi owners interested in operating in Paro International Airport shall contact USD Enterprise for registration. The rates shall be approved by [RSTA](#), MoIC. A TOR shall be drawn between USD Enterprise and the registered taxi owners.

Your kind cooperation and support in improving services at Paro International Airport will be highly appreciated and DoAT welcome feedbacks and suggestions ([MoIC website](#) and [MoIC Facebook](#) or [DoAT Facebook](#))to further improve our services.
