## PUBLIC NOTIFICATION

### Subject: Prohibition of Unauthorized Activities Within Airport Premises

The Department of Air Transport (DoAT) has recently observed instances of unauthorized activities taking place within the airport premises. All individuals and organizations are hereby reminded that such activities are strictly prohibited unless prior approval has been obtained from DoAT and other relevant authorities.

All individuals and organizations must ensure that any activity within the airport premises is carried out only after obtaining the necessary approvals. Any violation of this requirement will lead to legal and administrative action as per the applicable laws and regulations.

For the safety, security and smooth operation of airport services, we urge everyone to refrain from undertaking any unauthorized activities within the airport premises.
